Pitch deck elements and examples

Pitching tips & tricks

*„Pitching is **an opportunity to introduce your business idea in a limited amount time** – from a few seconds to a few minutes. You can use a **presentation** to underline your speech or just do it orally.”*

Why pitch (deck)?

- Put yourself out there
- Collect feedback and validate your idea
- Get new insights and questions
- Arranging meetings
- Brief but informative overview
- Forces you to create a business plan

Pitch types

One-liner (vs tagline)

Elevator pitch (30 sec)

3 min

Sending a pitch deck

*what's your
story?*

ONE-LINER

One sentence
Problem
Customers
Benefits, not features
Understandable to everyone
No buzz words

„Use it once per day and you will
lose 5 kg of a body fat in 2 weeks.”

*Every magic weight loss product
that doesn't work*

„You push a button and in five minutes a Mercedes picks you up and takes you where you want to go.”

Uber

„Something where you can type someone's name and find out a bunch of information about them.”

The Facebook logo, consisting of the word "facebook" in white lowercase letters on a blue rectangular background.

facebook

„Alarm system which alerts teachers if a child tries to leave the kindergarten without parent's supervision.”

The logo for 'noomly' is displayed in white lowercase letters on a solid purple rectangular background. The font is a clean, modern sans-serif style.

noomly

“... is innovative cloud solution with an AI-based optimization algorithm for progress-tracking in the real time.”

Bad one-liner

“Company name is developing *a defined offering* to help *a defined audience* to solve *a problem* with *secret sauce*.”

„The problem is that work is chaotic no matter what industry you're in or how good you are at your job. But a good project management software can help improve productivity and communication. I haven't missed a deadline in years. If you're interested in how it can help your team, give me a call and I can take you through some numbers.,,

„As an account executive for AnswerASAP, I talk to hundreds of marketers per month. And 99% of them hate creating reports. It's time-consuming, it's tedious, and it's usually not your highest priority. That's where our tool comes in — it pulls from all of your data to create any report you want in less than the time it takes to pour a cup of coffee.“

Alarm system for sneaky toddlers

The Great (Nursery) Escape: Two boys use toy spades to tunnel out of a Russian kindergarten playground and walk to a Jaguar showroom to buy 'a grown up car'

- The boys escaped from the kindergarten in Magnitogorsk, in the Ural
- The youngsters spent several days digging their planned escape tunnel
- After digging under the fence they walked for a mile to the car showroom
- Officials warned the kindergarten teacher for failing to look after the boys

Noomly Monitoring

How do you want your audience to feel?

Happy

Angry

Sad

Fear

Everything depends on the topic

Create your story

1. Who is your protagonist, whose problem are you solving?
 2. What is his/her/its/their problem? We all need to understand it
 3. What are you trying to make us feel? Can you make us to identify with that problem, feel empathy?
- 

Now tell it through pictures

1. Pexels,
2. Unsplash,
3. Pixabay,
4. StockSnap

And now when you have their attention-
Let's talk business!

Problem

- Real and big,
- Easy to understand,
- Communicate the pain

Solution

- Use case,
- User story,
- Key feature
